If a reply to the last Office action has already been filed, APPLICANT IS GIVEN ONE MONTH FROM THIS INTERVIEW DATE TO FILE A STATEMENT OF THE SUBSTANCE OF THE INTERVIEW. See Summary of Record of Interview requirements on reverse side or on attached sheet.

Claim discussed unexpected results of Table 1 at page 11 of the specification to overcome obviousness. Prior art references not anticipatory because they do not contain a composition containing all components claimed. Data of Table 1 supports unexpected results for specific components, listed, but does not support the scope of the claims. Evidence showing expectation of similar results for the genus would be considered.
